

In re Application of Erminio Moretti et al.
Attorney Docket: 47623-0007
Preliminary Amendment

REMARKS

Applicants respectfully request that the Examiner enter the claim amendments into the application. The amendments to the originally filed claims do not narrow the scope of the claims and each of the currently pending claims are provided to more clearly define the invention rather than for reasons related to patentability. Favorable consideration and allowance of the application is respectfully requested.

Respectfully submitted,

DICKINSON WRIGHT PLLC
